

About US

AnytimeK9 is owned and operated by Toni Woods-Wilson who is also the certified trainer. Toni attended college majoring in biology and continued her studies in graduate school focusing on animal sciences. She taught high school biology for 8 years during which time she volunteered at her veterinarian in Adams Morgan. Toni also organized a community service group with her students to volunteer at the Washington Animal Rescue League (WARL). While volunteering she learned that behavior problems are the #1 reason dogs are euthanized. She decided the best way to help was to educate families and their pets to prevent more loss of life. Toni is an Animal Behavior College graduate and is finally able to fulfill her passion for working with dogs. Toni is the proud parent of her 5 year old chocolate lab Riley.
